Pip Probert

Young, talented and inspiring, Pip Probert is an RHS Gold medal-winning designer who has produced stunning gardens at RHS Chelsea Flower Show, RHS Tatton Park Flower Show, RHS Malvern Spring Flower Show and RHS/BBC Gardeners World Live since 2005. She's now celebrating her tenth year of designing.

Over the years Pip's stunning designs have not only attracted the likes of the BBC and RHS, following her appearances on Passion for Plants on BBC2, BBC Radio Merseyside and her regular blog for the RHS, however she has also a started a new career.

Hultons Design and Build division, supported by Pip, offers exclusive homeowners a full bespoke package from home consultation, thorough design and planting plan, through to garden construction and project management.
